SUBJECT : U.S. Patent Application No. 09/857,204 entitled "Fluid Mixing Device" for Luminis Pty., Ltd.; Our Ref: P21154

Dear Ms. Vega:

Thank you for your telephone call on July 18, 2005. I appreciate you bringing to my attention that an Evidence Appendix and a Related Proceedings Appendix should be attached to an Appeal Brief even when no evidence or related proceedings exist. I also appreciate your indication that we could submit such appendices by facsimile to complete the Appeal Brief.

Attached hereto, please find the requested Evidence Appendix and Related Proceedings Appendix. I have given them page numbers of 6 and 7 so that they can be added to the end of the Appeal Brief (though I note that they have been marked with a new sequential attorney docket number (P21154.A17) to ensure that we do not mislead anyone in the future as to whether they were submitted with the Appeal Brief filed on February 11, 2005.

If you should have any questions, please do not hesitate to contact me or my assistant Paola Claros at (703) 716-1191.

Best Regards,
Joshua M. Povsner
